1ST FLOOR PLAN

DRAWING NUMBER: 1 OF 5

This CAD design is not an architecturally drawn building plan. You, your architect, and/or your contractor are responsible to determine that the CAD meets all local building codes and requirements, the correctness of all measurements, that the CAD satisfactorily conforms to conditions at the construction site, for any material substitutions, alterations or modifications, for proper use of materials and construction techniques and for the resulting building.

GENERAL NOTES:

1. Wall dimensions are from edge of framing to edge of framing, unless noted otherwise.
2. Exterior framing walls are drawn as flush with concrete foundation, except at brick ledges, drawn as 4" in from concrete foundation.
3. House exterior framing walls are drawn as 2 x 6, height as noted.
4. Floor joists, beams and headers size and location per manufacturers engineered plans.
5. Ceiling heights may vary, verify with manufacturers engineered truss plans.
6. Window dimensions, if indicated, are R. O. sizes.
7. Opening locations not dimensioned shall be centered on wall space.
8. Dimensions indicated take preference over scaled dimensions.

NOTE: PLEASE DISPOSE OF ANY OTHER PLANS WITH A DIFFERENT REVISION NUMBER AND/ON DATE
